**Sale of KIPC Middle East Limited and Persia Petroleum Services plc Shares**

The Board of Marbletrend Group Limited (**MBD**) is pleased to announce that it has completed the sale of 11,195,250 ordinary shares in Persia Petroleum Services plc and 3,918,338 ordinary shares in KIPC Middle East Limited.

The sale of the abovementioned shares has resulted in capital proceeds of \$285,000 being received. As the value of these shares had been fully impaired in past years, the total sale proceeds will be brought to account in the year ending 30 June 2010 as an extraordinary gain.

Any queries in relation to the above should be directed to Mr. Hamish Giles.

Yours faithfully

**Hamish Giles**  
Chairman
